- a. From the Complainant
- b. From the Respondent

24. Email "Discussion following Grad student feedback" provided by the Respondent

25. M1 Lab Log: The lab log is located in the Respondent's lab and, in accordance with lab policy, was not removed from the lab. The investigator had the opportunity to review the lab logs and scanned the selections included herein. With respect to portions of the lab log that were not scanned: (1) the Complainant's last lab log entry for December 2010 was made on December 15, 2010 and the Complainant's first lab log entry for January 2011 was January 24, 2011; and (2) during 2012, the lab log reflects that the Complainant made entries reflecting various work on M1, including the entries in late August and early September included herein. The investigator notes that the lab log is not used to record attendance in the lab.

26. Respondent's Cornell Email December 15/16, 2015 (Note: There were no emails in the Respondent's sent mailbox.)

27. Screenshots of "created on date" for December 15, 2010 Files

28. Emails to the Respondent provided by the Complainant prior to the Respondent's March 3, 2015, interview. Note: Additional emails were later provided by both parties. These were the emails available for review with the Respondent as his initial interview.
